Web Description

Several of these figure studies, including the mounted figure on the verso, relate directly to figures that appear in Wyeth's paintings for *The Long Roll* by Mary Johnston (Houghton Mifflin, 1911). The figure in the lower right, for example, relates to the figure in *The Vedette* (NCW 21). The sheet is a piece of stationery, as the beginning of a letter to Scribner's art editor Joseph H. Chapin on the reverse makes clear.
